

## Church Match Grant

### *Trinity College*

### **How it Works**

---

If your church donates funds toward your education, Trinity will match dollar for dollar the first \$1,000 donated each academic year (\$500 a semester). Multiple churches can support a student but Trinity will only match up to \$1,000 yr/per student.

MDiv with Pre-Seminary Honors Program Students – Trinity will match up to \$2,000 for contributions given by any church per academic year.

### **Important Guidelines**

---

- In order for the church to participate it must have a scholarship fund set up that is in compliance with the Internal Revenue Service's guidelines for charitable deductions. Parents or relatives who contribute to the church fund in order for their gift to go to their student's scholarship will not meet the charitable deduction guidelines. Gifts cannot be given with an "understanding" that they will be designated toward a specific person or funneled through the church to receive this grant. For example, if a parent is on staff with the church, you are not allowed to have salary redirected to go toward the Church Match Grant.
- The Church Match Grant application and support money are due by the first day of class in the fall semester. Exceptions are made for students who begin their enrollment in the spring semester.
- A church representative needs to fill out the application form and by doing so confirms that the church is in compliance with the guidelines established by Trinity.
- The Church Match Grant is available to all Trinity College students\* enrolled full-time in a degree seeking program.

\*Students in the On-Line degree programs do not qualify.
